

Dear innovator,

thank you for approaching us – we are looking forward to your contribution. You can hand in your documents in English.

- The right button is “LÖSUNG EINREICHEN”; in English: “SUBMIT SOLUTION”

What we need you to fill in:

1. Titel = title
2. Beschreibung = detailed description of your contribution/solution (focussed and related to the description of the challenge)
3. Mehrwert = make clear what benefits your solution brings
4. Titelbild = a picture to be displayed on the landing page of the challenge
5. Kooperationspartner = if you are handing in a joint solution with other companies, this is where you make sure they are represented with logos and names
6. Dateien & Infos = in addition to the descriptions above, add files (e.g. existing product brochures) if necessary (my advice: don't overload the jury)
7. Vertrauliche Infos = If there is a need for a confidential information to the jury and sponsor of that challenge (e.g. indication of approximate price range), place it here – all other parts will be public.

Please be aware of the fact, that a challenge is only market research / market engagement prior to a possible procurement. The challenge will not decide upon a contract award. Please balance your time and effort.

If you should have any question: contact the moderator of the challenge:

Mr. Manuel Schuler, M: manuel.schuler@ioeb.at

Best regards,
