

THE STORY OF

Badala

Badala is a great new idea from Austria. Stickers transform old boxes

into toys for kids. This saves trees and parents money.

So if you ship products in large boxes, why not offer Badala

in your shop and earn extra money while helping the planet?

Get more info about Badala by calling +43 650 860 7483

or email: hello@badalasticker.com
